The first of these is the fact that the
 government has been unable to
 maintain a stable currency. This
 has led to a loss of confidence
 in the government and a
 consequent loss of business.
 The second is the fact that
 the government has been unable
 to maintain a stable
 economy. This has led to a
 loss of confidence in the
 government and a consequent
 loss of business. The third
 is the fact that the government
 has been unable to maintain
 a stable political system. This
 has led to a loss of confidence
 in the government and a
 consequent loss of business.
