TENSES

Грамматические игры для изучения английского языка Времена

ПРАВИЛА ИГРЫ:

В каждую игру могут играть от 2-х до 5-ти игроков. Вам потребуются кубик-кости и фишка или монетка для каждого участника. Поставьте фишки всех участников на старт. Теперь бросай кубик и передвигай свою фишку на выпавшее число ходов. Поставь глагол в скобках в выпавшей тебе клетке в правильную форму. Произнеси вслух предложение в заданном времени. Если форма названа правильно, фишка остается в этой клетке. Если форма названа неправильно, фишка возвращается назад. Обрати внимание на то, что в некоторых клетках ты сможешь продвинуться вперед либо должен будешь вернуться назад. Побеждает игрок, первым дошедший до финиша.
