Данное пособие полностью соответствует федеральному государственному образовательному стандарту (второго поколения). Оно представляет собой четвертую часть учебного комплекта, состоящего из четырех книг:

- Грамматика английского языка. Сборник упражнений. Часть 1
- Грамматика английского языка. Сборник упражнений. Часть 2
- Грамматика английского языка. Книга для родителей
- **Грамматика английского языка. Проверочные работы.**

В пособие включены проверочные задания для контроля усвоения грамматического материала седьмого класса. Каждая работа имеет четыре варианта. Дома учащиеся готовятся к проверочной работе, просматривая все варианты. На уроке преподаватель сообщает, какой именно вариант следует сделать. Учащиеся выполняют задания, вырезают страницу из книжки и сдают ее на проверку. Если дома при подготовке возникнут сложности, то помочь детям смогут родители. Для этого рядом с каждым заданием указан номер соответствующего параграфа КНИГИ ДЛЯ РОДИТЕЛЕЙ.

Проверочные работы можно использовать и в дидактических целях.

Для учащихся школ с углубленным изучением английского языка, лицеев, гимназий, колледжей, изучающих язык по учебнику О. В. Афанасьевой, И. В. Михеевой «Английский язык. VII класс».

Приказом № 699 Министерства образования и науки Российской Федерации учебные пособия издательства «Экзамен» допущены к использованию в общеобразовательных организациях.
