Данное пособие полностью соответствует федеральному государственному образовательному стандарту (второго поколения) для начальной школы. Оно представляет собой четвёртую часть учебного комплекта, состоящего из четырёх книг:

- Грамматика английского языка. Сборник упражнений. Часть 1
- Грамматика английского языка. Сборник упражнений. Часть 2
- Грамматика английского языка. Книга для родителей
- **Грамматика английского языка. Проверочные работы.**

В пособие включены проверочные задания для контроля усвоения грамматического материала 2 класса. Каждая работа имеет четыре варианта.

Дома учащиеся готовятся к проверочной работе, просматривая все четыре варианта. На уроке преподаватель сообщает, какой именно вариант следует сделать. Учащиеся выполняют задания, вырезают страницу из книжки и сдают её на проверку.

Мы намеренно не дали ключи к заданиям. Тем, кто систематически делал упражнения из СБОРНИКА, выполнить предлагаемые работы не составит труда. Если дома при подготовке возникнут сложности, то помочь детям смогут родители. Для этого рядом с каждым заданием указан номер соответствующего параграфа КНИГИ ДЛЯ РОДИТЕЛЕЙ.

Проверочные работы можно использовать и в дидактических целях.

Для учащихся школ с углублённым изучением английского языка, лицеев и гимназий, изучающих язык по учебнику И. Н. Верещагиной и др. «Английский язык. 2 класс».

Уроки, соответствующие учебнику с зелёной обложкой, указаны в скобках.

Приказом Министерства образования и науки Российской Федерации учебные пособия издательства «Экзамен» допущены к использованию в общеобразовательных организациях.
