Homework

A После прогулки Робин решил рассказать Мише о том, чем увлекаются его сверстники в XVI веке. Read the story and translate it with a dictionary.

Women can't be actors in the theatre. Only men can. The theatre is round and it doesn't have a roof. People must stand on the ground near the stage. Only rich people have seats. They sit in the gallery. When people don't like the play, they throw things at the actors. Sometimes Queen Elizabeth comes to "The Globe" to see a play.

I like Shakespeare very much. I read all his plays, and I want to see them in "The Globe" in London, but I can't. I live in Scotland and the Scots and the English are not friends.

I'm from Edinburgh. It's the biggest Scottish city and also its capital, but Scotland is part of the United Kingdom now. Much of Edinburgh is very old, but it is also a beautiful and modern city. Its streets aren't always clean, but the air is nice and fresh and there are lots of flowers and trees with blossoms in the city. We've also got a lot of very interesting modern buildings and our old university is one of the best in the country.

The most famous part of the city is, of course, the Royal Mile in the Old Town. People from all over the world visit it. There are little shops, cafés, restaurants and a lot of museums there. At night tourists can go on excursions underground and see the small houses of the poorest people from a different time, but I don't recommend them. These excursions are very scary.

The most beautiful place in Edinburgh is Edinburgh Castle. It stands on a large rock. Castle visitors learn a lot about the history of Edinburgh and get great views of the Old Town and the rest of the city.

Edinburgh is famous for its annual (ежегодный) festival. It is the largest arts festival in the world. Theatre companies and actors from different countries come to dance, sing and perform in Edinburgh's theatres and streets. The festival is always in the month of August, so come and visit us then.

Information for B

You are from Edinburgh and your Russian friend wants to know about your city. Answer his / her questions with this information.

I'm from Edinburgh. It's the biggest Scottish city, and also its capital, but Scotland is part of the United Kingdom now. Much of Edinburgh is very old, but it is also a beautiful and modern city. Its streets aren't always clean, but the air is nice and fresh and there are lots of flowers and trees with blossoms in the city. We've also got a lot of very interesting modern buildings and our old university is one of the best in the country.

The most famous part of the city is, of course, the Royal Mile in the Old Town. People from all over the world visit it. There are little shops, cafes, restaurants and a lot of museums there. At night tourists can go on excursions underground and see the small houses of the poorest people from a different time, but I don't recommend them. These excursions are very scary.

The most beautiful place in Edinburgh is Edinburgh Castle. It stands on a large rock. Castle visitors learn a lot about the history of Edinburgh and get great views of the Old Town and the rest of the city.

Edinburgh is famous for its annual (ежегодный) festival. It is the largest arts festival in the world. Theatre companies and actors from different countries come to dance, sing and perform in Edinburgh's theatres and streets. The festival is always in the month of August, so come and visit us then.

Do you celebrate Easter?

1 Read and translate the story.

EASTER

Wordlist

Easter is the most important holiday for Christians. It is very joyful. They say the sun dances on Easter morning.

Christians prepare themselves for the great feast. They have Lent. The week before Easter is Holy Week. We remember the last days of Jesus Christ before His suffering.

On Holy Saturday people bring their kuliches and eggs to the church. The priest blesses the kuliches. Everyone is waiting for the Feast.

Many people go to church for the night service. Those who cannot go at night, go in the morning. Everyone sings, "Christ is risen!" "He is risen indeed!"

People give coloured eggs to one another. Everyone is happy. On Easter week everyone can ring the church bells.

The sun is dancing, the birds are singing, the children are smiling.

I love going to the seaside in summer. I take my shoes off and walk in the warm sand. Then I sit down with a book and enjoy the fresh sea air. In July we can even swim in the sea, but usually it's very cold.

Autumn is a beautiful season, too, with the clear sky and red and yellow leaves. But I don't really like late autumn. The days are short and it often rains.

In winter there's usually no snow, but sometimes we have a white Christmas.

The temperature rarely goes below zero, but it can be quite cold with the strong wind and rain.
