А 65 Понятная английская грамматика для детей : 3 класс. — М. :
Эксмо, 2012. — 120 с. — (Урок иностранного в школе).

ISBN 978-5-699-50798-6

Цель данного учебного пособия — помочь младшим школьникам освоить те темы английской грамматики, которые изучаются в 3-м классе в рамках школьной программы в общеобразовательных учреждениях любого типа. Оно используется для тренировки и активизации грамматического материала вне зависимости от базового учебника, по которому ведется обучение. Соответствие школьной программе обучения, простота, наглядность и доступность изложения материала, большое количество и разнообразие упражнений для практики, наличие упражнений разной степени сложности, соответствие возрастным особенностям и возможностям учащихся делают пособие незаменимым при изучении английского языка в начальной школе.

Пособие предназначено для младших школьников, изучающих английский язык в школе или дома с родителями или преподавателем. Оно является универсальным и может быть использовано в рамках любого школьного учебного курса.

you visited	you did not (= didn't) visit <input type="checkbox"/>
they lived	they did not (= didn't) live <input type="checkbox"/>

Past Simple (простое прошедшее время) используется для описания действий, которые **начались и закончились в прошлом**.

Часто в предложениях в простом прошедшем времени Past Simple употребляются слова:

yesterday — вчера

last week — на прошлой неделе

last month — в прошлом месяце

last year — в прошлом году

in 2009 (two thousand nine) — в 2009 году

five minutes ago — пять минут назад

two hours ago — два часа назад

three days ago — три дня назад

a week ago — неделю назад

three months ago — три месяца назад

two years ago — два года назад

Для образования **отрицательной и вопросительной форм Past Simple** используется вспомогательный глагол **did**. Смысловый глагол употребляется в инфинитиве (основная форма глагола, отвечает на вопрос *что делать?*).

Правила правописания глаголов в Past Simple

Глаголы, которые оканчиваются на согласную + у, меняют у на ie + -d

carry — carried
study — studied
Но: play — played
(a — гласная)

Глаголы, которые оканчиваются на е + -d

smile — smiled
dance — danced
live — lived

Если в инфинитиве 1 гласная + 1 согласная, согласная удваивается + -ed

plan — planned
stop — stopped
rub — rubbed

Правила чтения окончаний -ed/-d глаголов в Past Simple

У глаголов, основная форма которых оканчивается на гласные и звонкие согласные, -ed/-d читается [d]: smiled, carried

У глаголов, основная форма которых оканчивается на глухие согласные, -ed/-d читается [t]: helped, danced

У глаголов, основная форма которых оканчивается на [t] и [d], -ed/-d читается [ɪd]: visited, ended

we spent	we did not (= didn't) spend
you bought	you did not (= didn't) buy
they taught	they did not (= didn't) teach

Неправильные глаголы в простом прошедшем времени (Past Simple) имеют особую форму. Её надо запомнить. Эта форма употребляется в утвердительных предложениях, чтобы обозначить действие, которое **началось и закончилось в прошлом**.

В словарях обычно даются списки неправильных глаголов в трёх формах. Форма простого прошедшего времени даётся в таких списках второй, поэтому её часто называют «вторая форма глагола». Неправильные глаголы очень часто употребляются в английском, поэтому их формы обязательно надо выучить. Учить советуем сразу три формы, так как третья форма участвует в образовании времён группы Perfect, которые очень популярны в речи. См. список неправильных глаголов в конце книги на с. 108.

Little Red Riding Hood **went** through the forest. She **met** the Wolf in the forest. She **didn't meet** a hare or a bear. She **didn't lose** her way, and **came** to her grandmother's house in time.

Это правило образования степеней сравнения относится к **длинным прилагательным**, состоящим из **двух или трёх слогов**.

Запомни! Двусложные прилагательные, оканчивающиеся на у (happy, lazy, easy, etc), образуют степени сравнения, как короткие прилагательные, с помощью суффиксов **-er** для сравнительной степени и **-est** для превосходной.

Irregular Comparisons

Прилагательные, образующие степени сравнения не по правилам

Adjective Прилагательное	Comparative Сравнительная степень	Superlative Превосходная степень
good	better	the best
bad	worse	the worst
little	less	the least
far	further	the furthest
much	more	the most
many	more	the most

При сравнении двух предметов используется оборот: **сравнительная степень + than**.

Например: Table tennis is **more interesting than** basketball.
