ПРЕДИСЛОВИЕ

Предлагаемое вашему вниманию пособие является дополнительным компонентом к действующему учебно-методическому комплексу по английскому языку серии «Звёздный английский» для 3 класса общеобразовательных учреждений и школ с углублённым изучением английского языка авторов К. М. Барановой, Д. Дули, В. В. Копыловой и др.

Учебник для 3 класса получил положительные заключения РАН и РАО о соответствии ФГОС начального общего образования, хорошо зарекомендовал себя в школе и успешно используется на уроках английского языка. По пожеланиям учителей-практиков, работающих по данному учебно-методическому комплексу, был создан ещё один дополнительный компонент – сборник упражнений, содержащий проверочные задания, которые могут помочь оценить знания учащихся.

Предлагаемый в сборнике материал соотнесён с модулями учебника и основан на привычных для учащихся видах работы, которые они выполняли на протяжении всего периода обучения в 3 классе. Все проверочные задания дают возможность оценить уровень развития навыков и умений учащихся в области грамматики, лексики, а также отработки навыков чтения. Задания и упражнения сборника направлены на закрепление и повторение изученного лексико-грамматического материала учебника по каждой теме. Сборник также поможет учащимся подготовиться к сдаче итоговой аттестации за курс начальной школы.

Пособие может использоваться в качестве дополнительного материала на уроках английского языка и дома самостоятельно.
