# Learn and think RECYCLING

Think! Listen, read and talk about the question.

We throw things away every day. This is called rubbish. A lot of rubbish goes into big holes in the ground called landfills. Landfills are bad for our world. This is why recycling is a good idea. What things do we throw away?

Listen and read about recycling. Number the pictures.

When we recycle, we take rubbish and make it into new things.

- 1 We can make old newspapers and magazines into new paper.
- 2 We can make old bottles and jars into new glass.
- 3 We can make metal from fridges into new metal.
- 4 We can make old fruit and vegetables into earth for the garden.

#### Look, read and stick the rubbish in the correct bins.

Think! Think of more things to put in these bins.

We can put magazines in the paper bin.

Project Make some recycling bins for your classroom.

When you throw something away, think about which bin you put it in.

# Learn and think The life cycle of a butterfly

#### 1 Listen, read and write the words.

- The butterfly starts as a very small egg on a leaf. Butterfly eggs can be many shapes.
- What comes from the egg? Not a butterfly, but a caterpillar! The caterpillar eats a lot of the leaves on the plants around it. It grows bigger and bigger.
- 3 When the caterpillar stops growing, it has a hard, brown skin called a chrysalis. The chrysalis hangs from a plant. Inside the chrysalis, the caterpillar is changing.
- 4 When the chrysalis opens, a butterfly comes out. After a few hours, the butterfly opens its wings and flies away.
